Dear Jeff:

Thank you so much for the follow through regarding the missing light pole on Santa Monica. Its going to be terrific to have that pole reinstalled. I have a feeling that it has been out of service for at least a year. Thank you again for your continued support to the Hollywood Media District.

The other light poles for Santa Monica and Highland (bus stop on the north west corner?)
- That one is still missing don't forget about it.

Also two light poles are on 24-7 since this past Monday June 27th at the north west corner of Santa Monica and Vine. I advised the crew that was working on the installation. They stated that they would check it out if they had time. I took a photo but it would not send. Oh well.

Thanks again for a terrific crew and response time.

Happy 4th of July.
